Technology & Business Cooperation Days 24 - 26 April 2018

INDUSTRY 4.0 and smart factory solutions including energy and resource efficient manufacturing technologies

ABOUT TECHNOLOGY COOPERATION DAYS

Established more than seventy years ago, **HANNOVER MESSE** ranks today as the leading international showplace for industrial technologies, materials and product ideas.

The brokerage event **Technology and Business Cooperation Days** is a platform for enterprises, research institutions and universities to find partners for technology and research cooperations and commercial partnerships in pre-organised one-to-one meetings.

Since 2002, more than 3200 participants were supported with targeted bilateral meetings, resulting in numerous international partnership agreements.

THEMATIC FOCUS: INDUSTRY 4.0

- _ Smart factories
- _ Industrial manufacturing
- _ Energy & resource efficient manufacturing
- _ Sustainable Energy & mobility Solutions
- _ Measurement tools

WHY PARTICIPATE

- _ Showcase your projects, products and know-how
- _ Find new business, technology and research partners in pre-scheduled meetings
- _ Save resources by selecting only promising meetings
- _ Initiate cross-border contacts and co-operations

REGISTER ONLINE
